## Journal of Machine Construction and Maintenance

Scientific quarterly of the ŁUKASIEWICZ Research Network – Institute for Sustainable Technologies

Information about articles printed in the Journal can be found in the following three renowned databases:

- BazTech
- EBSCO
- Index Copernicus
- TEMA

Articles are reviewed by more than 100 reviewers constantly cooperating with the Journal under the auspices of the Committee on Machine Building of the Polish Academy of Sciences. Reviewers are listed on the website of the Journal: [www.jmcm.itee.radom.pl](http://www.jmcm.itee.radom.pl)
